Sugar-Curing of Butter.

Persons who put keg butter for their own use, or for a distant market, usually salt their butter very high. This high salting necessarily detracts from its quality, injures its trees have been neglected for several years, ready sale, and reduces its price. If we can and are beginning to extend their branches modify this excess of salt, by using more into long bare arms, the shortening back palatable substance, of equal efficiency, as should extend to larger portions of the branch preservatives, it will be an improvement. until the tree is brought into a more compact Chemists tell us that sugar is of these substances; and experience gives the same information. Som of the earth, without admixtures of any stand in these days of Nostrum vending, we do no wonder at the incredulity evinced by the community, upon the introduction of a new remedy, but that incredulity shall not suppress a medicine, whose powerful influence has mitigated and cured many diseases incidental to our race; were we to withhold a remedy like this from public notice, we should consider ourselves as guilty of keeping back something that was intended to relieve much human suffering, and dispel the gloom and pain of many a one whose system has been racked and tortured by the fell engines of slisense. Nay, do not wonder, gentle reader, and som of the earth, without admixtures of any kind In these days of Nostrum vending, we do no ease. Nay, do not wonder, gentle render, and join with others in the city, that it cares too many diseases; for if you will take the trouble to look over the list of diseases for which it is recommended, you will find that they are diseases af-ecting the same kind of tissues, and consequentv it is applicable to all.

The Petroleum is one of this kind of remedies and is endued with powers to relieve more human suffering than any medicine extant. When taken Wards, petitions for partition, settlement of Es. perseveringly it will cure tates, and all other business entrusted to his care Diarrhosa, Piles, Gout, Nuralgia, Obstinate Erup

To PETROLEUM:

I feel myself under a debt of gratitude to the proprietor of Petroleum—the use of which great medicine has entirely cured my wife of a violent attack of Rheumatisan. She had labored under an attack of the disease about 2 months, suffering the mean patting, the greater part of NEW SPRING AND SUMMER the time confined to her bed mable to do anything. The pain in the limbs was very great, atlenm had a happy effect, for the first 2 or 3 apoli-cations the swelling diminished and the pain left her. I continued to apply the medicine duily for two weeks, which entirely relieved her, and she is now as well as she ever was in her life. I feel confident that the Petroleum is one of the great-est remedies in the world for rheumatic pains and
